

Closer to Home Community Services Society

Financial Statements
March 31, 2021

Independent auditor's report

To the Directors of Closer to Home Community Services Society

Our opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Closer to Home Community Services Society (the Society) as at March 31, 2021 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

What we have audited

The Society's financial statements comprise:

- the balance sheet as at March 31, 2021;
- the statement of operations and changes in net assets for the year then ended;
- the statement of cash flows for the year then ended; and
- the notes to the financial statements, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

PricewaterhouseCoopers LLP
111 5 Avenue SW, Suite 3100, Calgary, Alberta, Canada T2P 5L3
T: +1 403 509 7500, F: +1 403 781 1825

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Closer to Home Community Services Society

Notes to Financial Statements

March 31, 2021

1 Purpose of organization

Closer to Home Community Services Society (the Society or CTH) is a not-for-profit organization incorporated under the Societies Act of the Province of Alberta. The Society is also a registered charity under the Income Tax Act (Canada) and therefore is not subject to income taxes. The Society provides social services for at-risk children and families, including counselling, support and education. The Society is also registered under the Charitable Fundraising Act of Alberta (the Act) and has considered all required disclosures under Section 7(2) of the Act in preparing these financial statements.

2 Summary of significant accounting policies

Basis of presentation

The Society prepares its financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO) as issued by the Canadian Accounting Standards Board.

Measurement uncertainty

The preparation of the financial statements in accordance with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from these estimates, and differences could be material. Significant estimates include the estimated useful lives of capital assets, the collectibility of accounts receivable and measurement of accrued liabilities.

Revenue recognition

The Society follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Contributions restricted for capital asset expenditures are deferred and recognized as revenue as the related capital assets are amortized. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contract revenue is recorded as contract requirements and obligations are completed. Any amounts received in advance of contractual requirements being met are recorded as deferred revenue. Service fee revenues are recorded when the related services are rendered, collection of any receivable is probable and the amount to be recorded is determinable.

Subsidies received under Canada's COVID-19 Economic Response Plan are recognized as revenue in the period in which the entry is recognized as expenses for the related costs to which the subsidies are intended to compensate.

Investment income is recognized as revenue when earned.

Closer to Home Community Services Society

Notes to Financial Statements

March 31, 2021

Donated goods and services

Donations in kind are recorded at fair market value only when fair market value can be reasonably estimated and when the donated goods and services would normally otherwise be purchased and paid for by the Society. The value of donations in kind recorded during the year was \$33,103 (2020 – \$39,387).

Volunteers contribute their services to assist the Society in carrying out its activities, but because of the difficulty of determining their fair value, contributed services are not recognized in these financial statements.

Capital assets

Capital assets are stated at historical cost less accumulated amortization. The cost of a tangible asset made up of significant separable component parts is allocated to component parts when practicable and when estimates can be made of the lives of the separate components. Amortization is recorded using a straight-line basis over their estimated useful lives at the following rates:

Buildings	10 – 20 years
Computer equipment and software	3 years
Furniture and fixtures	5 years
Leasehold improvements	over the term of the lease

Capital assets are tested for impairment when conditions indicate that a capital asset no longer contributes to the Society's ability to provide goods and services, or that the value of future economic benefits or service potential associated with the capital asset is less than its net carrying amount. When conditions indicate that a capital asset is impaired, the net carrying amount of the capital asset is written down to the asset's fair value or replacement cost. Writedowns of capital assets are recognized as expenses in the statement of operations and changes in net assets. Writedowns are not subsequently reversed.

Financial instruments

The Society initially measures financial assets and financial liabilities at their fair value. If the financial asset is not subsequently accounted for at fair value through profit or loss, it is subsequently measured at amortized cost. The financial assets subsequently measured at amortized cost include cash, accounts receivable and refundable deposits. Investments are carried at fair value on a trade date basis with realized and unrealized gains or losses recognized directly in the statement of operations and changes in net assets along with transaction costs being expensed as incurred. The financial liabilities measured at amortized cost include accounts payable and accrued liabilities and mortgages payable.

i) Credit risk

The Society does not have a concentration of credit exposure with any one donor or member. The Society does not consider that it is exposed to undue credit risk.

Closer to Home Community Services Society

Notes to Financial Statements

March 31, 2021

ii) Liquidity risk

Liquidity risk is the risk that the Society is not able to meet its financial obligations as they become due. The Society is able to sufficiently maintain appropriate levels of liquidity by monitoring operating cash flow requirements, following a detailed program and administrative budget and using short-term and long-term borrowings where and when necessary.

iii) Interest rate risk

The Society is not exposed to significant interest rate risk.

3 Refundable deposits

In March 2021, the Society entered into an agreement to purchase a residential facility, held by a \$116,250 refundable deposit. Additionally, the Society paid a \$100,000 refundable licence fee to allow renovations to commence on the property prior to the close of the purchase.

This residence will provide housing for a new youth community care program funded by Alberta Children's Services. This three-year contract, with annual revenue of \$2.6 million, was awarded to the Society in February 2021.

On April 9, 2021, the residence was purchased for consideration of \$775,000, comprised a \$445,500 secured term loan, \$188,250 of cash and the \$116,250 deposit. The \$100,000 licence fee was refunded in May 2021. Renovations are ongoing and the program is expected to be operating by July 2021.

Land held for development	3,228,750	-	3,228,750
Land development costs	113,045	-	113,045
	5,202,030	1,257,597	3,944,433

On November 1, 2019, the Society purchased the Bow Trail land from the City of Calgary for \$3,150,000. Consideration for the purchase comprised a \$2,600,000 secured loan from The Calgary Foundation (the TCF secured loan), the Bow Trail refundable deposit and cash, \$352,095 of which was generated by the mortgage refinancing (note 7).

The City of Calgary has an option to repurchase the land in the event that the building commitment is not 25% complete by the building commitment date of November 1, 2022, or if the Society provides the City with written notice that they are not proceeding with the construction. The repurchase price will be the purchase price above, less the \$68,000 finder's fee that was paid to CTH's real estate agent on the original purchase transaction.

Included in land held for development is non-refundable GST on the purchase of \$78,750. Included in land development costs is accrued interest on the TCF secured loan of \$156,517 (2020 – \$46,016).

5 Secured loan

The TCF secured loan of \$2,600,000 bears interest at a rate of 4.25% per annum, payable semi-annually, and is secured by a first charge registered to the Bow Trail land title. The TCF secured loan is repayable on demand, or the earlier of the date of disposition of the land and one day prior to the expiration of the land repurchase option with the City of Calgary (note 4). TCF has provided confirmation to CTH that they do not intend to demand repayment prior to March 31, 2022; therefore, the loan has been classified as long-term on the balance sheet.

6 Available demand loan

The Society has a revolving line of credit of \$50,000 (2020 – \$50,000) of which \$nil (2020 – \$nil) was drawn as at March 31, 2021. The loan revolves in increments of \$5,000, bears interest at 1.50% per annum over the bank's prime lending rate, payable monthly; and is secured by substantially all of the Society's assets. The Society is required to provide an audited financial statement within 90 days of the fiscal year-end and such other financial and operations statements and reports as and when the bank may reasonably request.

Notes to Financial Statements

March 31, 2021

8 Deferred contract revenue

	2021 \$	2020 \$
The Ministry of Children's Services	-	963,396

In March 2020, CTH received a \$1.15 million retroactive group home funding increase from the Ministry of Children's Services for FY2020. The Ministry of Children's Services permitted CTH to defer the unused portion of this funding to FY2021. All deferred contract revenue from the Ministry of Children's Services was recognized in the year ended March 31, 2021.

9 Deferred donation contributions

	2021 \$	2020 \$
Balance – Beginning of year	484,817	251,307
Contributions received during the year	1,077,206	876,788
	1,562,023	1,128,095
Amounts recognized as revenue in the year	(1,016,854)	(643,278)
Balance – End of year	545,169	484,817

Contributions are deferred when a donor restricts the usage of the contribution to a specific purpose. The majority relates to amounts received for programs run by the Society.

10 Deferred capital contributions

	2021 \$	2020 \$
Balance – Beginning of year	126,019	195,256
Contributions received during the year	17,828	59,953
Deferred contract revenue allocated to capital in the year	445,647	-
	589,494	255,209
Amounts recognized as revenue in the year	62,817	129,190
Amortized to revenue	-	-
Balance – End of year	526,677	126,019

11 Deferred lease expense

Deferred lease expense is a result of accounting for initial rent-free periods in the Society's operating lease agreements using the straight-line method.

Closer to Home Community Services Society

Notes to Financial Statements

March 31, 2021

12 Economic dependence

The Society is economically dependent on the Ministry of Children's Services. It receives 65% (2020 – 75%) of its revenue from this source in the form of contracts and fees for services.

13 Contingencies

An action was brought against the Society in fiscal 2003 by a former client, who alleges he was left unsupervised by his foster parents who were in the employment of the Society. The plaintiff maintained that the actions of the Society have caused him bodily and mental injuries and has thereby suffered loss and damages.

As at March 31, 2021, the lawsuit had been settled. The settlement was covered by liability insurance and no additional finance expenses were recorded by the Society related to this action against the Society.

14 Commitments

The Society has entered into contracts totalling \$1,877,000 related to development of the Bow Trail building and related capital campaign. As at March 31, 2021, \$1,580,000 remains outstanding on these commitments.

The Society has lease commitments under operating leases for office space and a residential home. Future minimum lease payments due until the end of the contracts are as follows:

	\$
2022	230,878
2023	230,878
2024	233,441
2025	172,197
2026	27,098

15 Government remittances

Government remittances consist of payroll withholding taxes required to be paid to government authorities and are recognized when the amounts become due. In respect of government remittances, \$1,966 (2020 – \$104,442) is included in accounts payable and accrued liabilities.

16 Internally restricted net assets

Internally restricted funds are authorized for use by the Society's Board of Directors and are designated for the following purposes:

- Capital Reserve Fund represents funds internally restricted towards capital campaign expenses and pre-construction costs related to the Bow Trail building.
- Program Reserve Fund represents funds internally restricted towards support of new community-based programs and operational contingencies.

17 COVID-19 pandemic

In March 2020, the World Health Organization declared the COVID-19 outbreak a global pandemic. This has resulted in governments worldwide enacting emergency measures to combat the spread of the virus. These measures, which include restrictions on events and gatherings, the implementation of travel bans, quarantine periods and physical distancing, have caused material disruption to businesses globally, resulting in an economic slowdown. Governments and central banks have introduced significant monetary and fiscal relief programs designed to stabilize economic conditions; however, the situation is dynamic, and the success of these interventions is not currently determinable.

Management has assessed the financial impact of COVID-19 at March 31, 2021, including the collectibility of receivables, valuation of assets and impact on its borrowing agreements. The current economic challenges have resulted in uncertainties in future funding and cash flows as well as an increased demand for social services for children and families. COVID-19 may have the following impacts on future operations of the Society: funding uncertainty and issues with collectability of contract and donation revenue. To mitigate any potential operational constraints associated with cash flow, management has applied for certain government relief programs (note 18). As CTH is a provider of essential services, management does not believe COVID-19 will have a material future financial impact on its revenue and operating results subsequent to March 31, 2021.

The Society will continue to monitor the impacts of the pandemic on the community that it serves and its employees and continue to adjust to the volatile situation.

Closer to Home Community Services Society

Notes to Financial Statements

March 31, 2021

18 Government grants

In response to the COVID-19 pandemic, the Government of Canada implemented the COVID-19 Economic Response Plan. Under the plan, the Society was eligible for the Canada Emergency Wage Subsidy (CEWS) in which Canadian businesses impacted by COVID-19 may be eligible for wage subsidies for any four-week period retroactive from March 15, 2020. To be eligible for the first period, businesses must demonstrate eligible revenue reductions of greater than 15%. To be eligible for periods two to four, businesses must demonstrate eligible revenue reductions of greater than 30%. For the remaining periods, businesses are subsidized with a sliding scale of subsidy based on overall revenue reductions in each period. For the year ended March 31, 2021, the Society has recognized \$1.8 million in grants under the CEWS.
